CD-390 SERIES

Leather Skin:

Aluminum alloy with black, genuine leather skin wrapped around the external enclosure for most effective heat dissipation and for today's classic style.

80mm Fan:

Built with a 80mm fan for faster cooling efficiency.

USB and eSATA Interfaces:

Compatible with both of today's most common interfaces - USB and eSATA ports - for a speedy data transfer rate of up to 480 Mbps and 3.0 Gbps respectively.

3.5" SATA I/II HDD:

Supports 3.5" Serial ATA I/II hard drives with capacity levels of up to 1TB.

One-Touch Backup Function (OTB):

In a matter of seconds, conveniently start your digital files backup with our very easy to use OTB software.
