# HD-380 SERIES

### Leather Wrapped:

Aluminum alloy case with genuine leather wrapped around for a sophisticated appeal without losing its usefulness. (Available in black and brown leather.)

### Ventilation:

With extra slits along the sides, this enclosure provides additional ventilation for your hard drive.

### 3.5" SATA I/II HDD:

Compatible with 3.5" Serial ATA I/II hard drives at capacities up to 1TB.

### USB & eSATA Interfaces:

Supports the very popular USB and eSATA interfaces for your data transfer purposes. Convenient and speedy - at a rate up to 480Mbps and 3.0Gbps respectively.

### One-Touch Backup Function (OTB):

Backing up your digital data files is now easy with the OTB function where it takes nothing more than pushing a button to store all your files to your external hard drive.
